DR. JAS. L. SMITH PASSES TO HIS REWARD

Beloved Physician and Splendid Citizen Dies Monday, June 10.

Dr. Jas. L. Smith died at his home Monday at one o'clock p. m. His death was not unexpected. For several weeks he has been considered liable to die any hour. The Doctor was 68 years old last September. He leaves a wife, three sons and three daughters. Two of his sons, Dr. Jno. R. and Dr. Ernest M., are leading young physicians.

Few men in the county were better known than Dr. "Jim" Smith. He was actively engaged in the practice of medicine for nearly forty years and until he could stand the travel no longer. He perhaps has done more charity practice than any other doctor in his day. He never asked "can you pay me" when he was called, even from a warm bed to the saddle on a cold, rainy night.

Dr. Smith professed religion and joined the Baptist church at McNairy in 1872. During his last days he expressed himself as ready for the great change.

Funeral services were held at the home by Dr. G. M. Savage, of Jackson, assisted by Rev. J. B. Maxedon. The remarks of the Rev. Savage were forceful and beautifully said.

Interment was had in the Falcon cemetery, where a little daughter was the first to inhabit the city of the dead.

The large concourse at the home attested the respect and affection they had for the deceased. The floral offerings were large. A cortege of some twenty autos carried friends to the cemetery, where the service was concluded by Dr. Savage.

Our sincere sympathies are extended to the bereaved family.

Card of Thanks.

We wish to thank our many friends for their kindness during our recent bereavement, and for their beautiful floral offerings.

SHIELDS' WORK PLEASES WILSON.

Senator Overman, of North Carolina, referring to the part various Senator played in the passage of the important Overman bill, said:

"I selected Senator John K. Shields of Tennessee as the strongest member of the Judiciary Committee to study the bill from a constitutional standpoint and make the argument along that line. The President is greatly pleased with the work of Senator Shields. His speech was unanswerable. It closed the case from a legal standpoint. I had many able lawyers from whom to select the committee, but I chose Senator Shields because I understand him the ablest and most thorough man for the duty."

"He was my chief aide in the handling of the bill, and I do not feel that the bill would have passed without his assistance. I have congratulated him personally for his masterly effort on the floor of the Senate and I take pleasure now in referring to it publicly."

"I am indebted to him for his assistance in shaping this important legislation in which the President is so deeply concerned and which so vitally concerns the successful prosecution of the war."

Notice to Registrants.

The number of Registrants on June 5, 1918, in McNairy county was not nearly so large as was expected by the P. G. M. in his estimates for this county.

Owing to the heavy rains in many parts of the county, and possibly to the short notice given of the Registration, and to other causes, it is believed that there're goodly number of persons subject to registration in this county who did not register. Any one who failed to register may yet do so if he will promptly make application to the Local Board. If he does not register, it will be the duty of this Board to report him as a delinquent and slacker to the U. S. District Attorney for warrants for the arrest of all such delinquents.

This Board is now in possession of information as to quite a goodly number who are reported to this Board as subject to registration, but are still delinquent. This information with the names of witnesses will be furnished to the proper official at an early date if such parties do not report for registration. No names of delinquents or of the witnesses against them are given here, but all who have failed to register are hereby warned and given another chance if prompt action is taken.

GOD SAVE OUR MEN.

(Tune, America)

God save our splendid men.
Send them safe home again:

God save our men.
Make them victorious,
Patient and chivalrous—
They are so dear to us:
God save our men.

God keep our own dear men
From every stain of sin;
God save our men.

Whom Satan would allure,
When tempted keep them pure,
When doubtful make them sure:
God save our men.

God hold our precious men
And love them to the end:
God save our men.

Held in thine arms so strong,
And love them to the end:
God save our men.

To Thee they all belong,
Held safe from every wrong:
God save our men.

Memphis Woman

GREATLY HELPED

BY VIN HEPATICA

Had Suffered Severely With Back
and Run Down Condition

Mr. J. Q. Kline, 927 New York Ave., Memphis, Tenn., said to Mr. E. C. Philpot, at the Weiss' Pharmacy, Main and Union Sts., that his wife had gotten so much better as a result of the great Vin Hepatica prescription.

"She suffered severely with her back and kidneys. The soreness was so severe that she couldn't lay in one position but a short while, was all run down and weak."

"I saw in the papers what Vin Hepatica was doing for others, and I decided to have her try it. After taking one bottle the soreness is entirely gone, she doesn't suffer at all, and rests well at night. She is going to keep on taking it, for it is improving and building her up so fast."

This same kind of testimony is coming in from all directions. Vin Hepatica is a great medical prescription for the weak and run down. It is composed of eight of the finest herbal remedies known to medical science for the toning up and cleansing out of the system, giving strength to the weak, relieving indigestion and other ailments arising from disordered liver, stomach, kidney and bowels.
